## COMMUNICATIONS RECEIVED FROM CERTAIN MEMBER STATES REGARDING GUIDELINES FOR THE EXPORT OF NUCLEAR MATERIAL, EQUIPMENT AND TECHNOLOGY

A further communication dated 2 May 1984

1. On 23 May 1965 the Director General received a letter dated 2 May 1955 from the Minister of Foreign Affairs of the Hungarian People's Republic relating to the export of nuclear material, equipment or technology.
2. As requested in the letter, its text is reproduced below for the information of all Member States.

-----

I have the honour to inform you that the Government of the Hungarian People's Republic has decided that, when considering the export of nuclear material, equipment or technology, it will act in accordance with the principles and guidelines contained in document INFCIRC/254.

In reaching this decision the Government of the Hungarian People's Republic is convinced that the strengthening of the non-proliferation regime will promote the peaceful uses of nuclear energy and international co-operation in this field.

I shall be grateful if you will be kind enough to communicate the text of this letter to all Members of the Agency for their information and as a demonstration of support by the Government of the Hungarian People's Republic for the non-proliferation objectives and safeguards activities of the International Atomic Energy Agency.
