

**ANIMAL DISEASES REGULATIONS
(MICRO-ORGANISMS, VACCINES AND TRANSMITTERS), 5735-1975**

By virtue of the power vested in me by Section 20 of the *Animal Diseases Ordinance, 1945*, I hereby enact these Regulations:

1. Definitions:

In these regulations:

"Micro-organism" - bacterium, virus or parasite that may cause diseases in animals;

"The Director" - The Director of Veterinary Services;

"Port of Import" - Seaports of Haifa, Ashdod and Eilat; Ben Gurion Airport and any other port or import site that the Director might designate for these Regulations;

"Transmitters" - An animal or arthropod that is a carrier of a Micro-organism;

"Vaccine" - Vaccine, serum or any other biological product that is produced from a micro-organism, excluding antibiotics.

2. Permit for import possession or manufacture:

- (a) One may not import a micro-organism, transmitter or vaccine other than via a port of import and with a written permit issued by the Director and in accordance with the conditions of the permit.
- (b) One may not possess or distribute a micro-organism, transmitter or vaccine, for the purpose of research, diagnosis, instruction or any other purpose, nor may he or she manufacture a vaccine except with a written permit issued by the Director and in accordance with the conditions of the permit.

3. Permit Issue:

The Director may issue a permit, withhold, cancel or suspend, add or change conditions.

4. Fee:

In payment for the issuing of a permit according to Regulation 3 for a single importation of a vaccine or for recurrent manufacture of vaccines in a calendar year, there is a charge of 130 lirot¹ for each permit.

5. Onset:

These Regulations will come into effect 30 days after their publication.

6. Repeal:

"*Animal Diseases Regulations (Vaccines)*" - are repealed.

7. Name:

These regulations will be called "*Animal Diseases Regulations (Micro-organisms, Vaccines and Transmitters), 5735-1975.*"
