

List of regulation issued by the Radiation Safety Directorate:

1. Regulation on the form and the content of the template of application for license, the form and the content of the license, as well as the procedure for issuing of the license, (O.G. No.157/2009);
2. Regulation on the content of the Radiation Protection Program, Emergency Plan and Quality Assurance Program and Safety Control Program (O.G. No.157/2009);
3. Regulation on the criteria for exemption of an ionizing radiation source and exclusion of a defined source from regulatory control (O.G. No.162/2009);
4. Regulation on the categorization of the ionizing radiation sources, as well as the categorization of the radioactive and nuclear material (O.G. No.162/2009);
5. Regulation on the categorization of radiation and nuclear threats (O.G. No.162/2009);
6. Regulation on the discharge limits of radioactive materials into environment, the manner of monitoring, maintaining records and reporting (O.G. No.162/2009);
7. Regulation on the types of training and content of the training programme of the radiation protection officers (RPO) and occupationally exposed persons (O.G. No.162/2009);
8. Regulation on the limits of radionuclides in foodstuffs, water, air, soil, products and raw materials, and consumer products (O.G. No.163/2009);
9. Regulation on the form and the content of the template of the notification of the ionizing radiation sources, as well as the procedure of the notification of radiation protection source (O.G. No.16/2010);
10. Regulation on the health conditions for work with ionizing radiation sources as well as the measures, the content of and the manner for health surveillance of the persons working with ionizing radiation sources (O.G. No.28/2010);
11. Regulation on the means and measurement of occupational exposure, keeping records and submitting reports (O.G. No.29/2010);
12. Regulation on limits of radiation exposure and conditions for exposure in special circumstances and in emergency (Official Gazette of the Republic of Macedonia No.29/2010).
13. Regulation on the maximum permitted quantities of radionuclides in metals, building materials, fertilizers, ash from the thermo power plants and the residues from mines and melting industry, published in the Official Gazette of the Republic of Macedonia No.98/2010
14. Regulation on the manner and the measurement of the public exposure, maintaining records and reporting (Official Gazette of the Republic of Macedonia No.126/2010).
15. Regulation on the manner and the time frame for the testing of the ionizing radiation sources, patients exposure measurement during diagnostic and therapeutic procedures, maintaining records and reporting (Official Gazette of the Republic of Macedonia No.126/2010), transposing 31997L0043 and RP 109.
16. Regulation on the criteria for the facilities, equipment and staff in the authorized technical services and the legal persons for decontamination, as well as the form and content of the application for license and the form and the content of the license (Official Gazette of the Republic of Macedonia No.130/2010), transposing the Directive 31996L0029.
17. Regulation on the criteria and measures on radiation protection for performing practice with X-ray devices, accelerators and other devices that generate ionizing

- radiation (Official Gazette of the Republic of Macedonia No.130/2010), transposing the Directive 31996L0029,
18. Regulation on the criteria for the application of the ionizing radiation sources in the medicine, the veterinary medicine, the pharmacy and the dentistry radiation (Official Gazette of the Republic of Macedonia No.130/2010), transposing the Directive 31997L0043.
 19. Regulation on the manner of managing, collecting, handling, conditioning, transporting and disposing of radioactive waste (Official Gazette of the Republic of Macedonia No.130/2010)
 20. Rulebook on the manner of the transport or radioactive and nuclear material (O.G No. 160/2010);
 21. Rulebook on qualification and health conditions of person who may work with ionizing radiation sources (O.G. No.160/2011),
 22. Rulebook on the template and content of application of non-issuing a decision for license (O.G.No.142/2011)
 23. Rulebook on the premises, devices and equipment and persons who may work with ionizing radiation sources (O.G. No.78/2012)
 24. Rulebook on the licensing fees (O.G.No.112/2010)
 25. Rulebook on the form and content of ID card of the radiation safety inspector (O.G. No. 132/06).
