COMMUNICATIONS RECEIVED FROM CERTAIN MEMBER STATES REGARDING GUIDELINES FOR THE EXPORT OF NUCLEAR MATERIAL, EQUIPMENT AND TECHNOLOGY

A further communication dated 14 December 1984

1. On 18 December 1984, the Director General received a letter dated 14 December 1984 from the Permanent Mission of the People's Republic of Bulgaria to the International Organizations in Vienna relating to the export of nuclear material, equipment or technology.
2. As requested in the letter, its text is reproduced below for the information of all Member States.

"The Permanent Mission of the People's Republic of Bulgaria to the International Organizations in Vienna presents its compliments to the Director General of the International Atomic Energy Agency and has the honour to inform him that the Government of the People's Republic of Bulgaria has decided that, when considering the export of nuclear material, equipment or technology, it will act in accordance with the principles, contained in the document INFCIRC/254.

"In taking this decision the Government of the People's Republic of Bulgaria is convinced that the strengthening of the non-proliferation regime will promote the peaceful uses of nuclear energy and international co-operation in this area.

"The Government of the People's Republic of Bulgaria proposes to the Director General of the International Atomic Energy Agency to circulate the text of this Note to all Member Governments for their information as a demonstration of the support by the Government of the People's Republic of Bulgaria for the Agency's non-proliferation objectives and safeguards activities.

"The Permanent Mission of the People's Republic of Bulgaria to the International Organizations in-Vienna avails itself of this opportunity to renew to the Director General of the International Atomic Energy Agency the assurances of its highest consideration."
